

# VM-2-X

## Metering Brake Band Valve

### Metering 3-Way Valve

## NEW PRODUCT RELEASE:

APSCO's new VM-2-X valve replaces the now obsolete VM-2-A. While form and fit are the same as the VM-2-A the VM-2-X benefits from improved function and features.

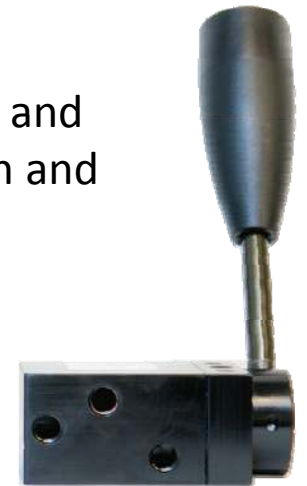

### FEATURES:

- Improved Metering
- Detent in Full Position
- New Ergonomic Handle Design
- Dedicated 1/8" Exhaust Port
- 90 Degree Mounting Options
- Increased Longevity

### BENEFITS:

- Finer Brake Band Controls
- Provides Lock in Full Brake Position, Vibration Proof
- Allows Valve to Be Exhausted Out of the Cab
- Allows for Top or Side Mount
- Greater Service Life and Enhanced Dependability

### VM-2-X Metering vs. VM-2-A
